

# Nachiket J. Patel, MD

FACC, FACP, FSCAI | Interventional Cardiologist

**Owner and Interventional Cardiologist** | Flow Heart and Vascular, Mesa, Arizona

**Clinical Assistant Professor of Medicine**

University of Arizona College of Medicine - Phoenix

Coronary and vascular care, cardiovascular prevention, and thoughtful second opinions.

## Education & advanced training

|                                                      |                                                                                                         |
|------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
| <b>Advanced Peripheral and Endovascular Training</b> | Saint Luke’s Hospital, Phoenix, Arizona<br>Training with Richard R. Heuser, MD                          |
| <b>Interventional Cardiology Fellowship</b>          | University of Arizona College of Medicine - Phoenix                                                     |
| <b>Cardiovascular Disease Fellowship</b>             | University of Florida College of Medicine - Jacksonville<br>Chief Fellow                                |
| <b>Internal Medicine Residency</b>                   | Creighton University School of Medicine, Omaha, Nebraska                                                |
| <b>Doctor of Medicine</b>                            | Chicago Medical School at Rosalind Franklin University of Medicine and Science, North Chicago, Illinois |
| <b>Bachelor of Arts</b>                              | University of Illinois, Chicago, Illinois<br>With College Honors                                        |

## Board certification

Cardiovascular Disease  
Interventional Cardiology  
American Board of Internal Medicine  
Initial certification in Internal Medicine.

## Professional fellowships & honors

American College of Cardiology (FACC)  
American College of Physicians (FACP)  
Society for Cardiovascular Angiography and Interventions (FSCAI)  
Phi Beta Kappa National Honor Society

407 N Lindsay Road, Suite 103, Mesa, AZ 85213 | [480-571-1863](tel:4805711863)

# Books, research & public education

## Authored books

Published

### FLOW: A Clearer Way to Understand and Protect Your Heart

Nachiket J. Patel, MD. 1st edition. FlowPress; 2026.

Paperback ISBN: 979-8-9941203-0-9. [Explore the FLOW toolkit](#)

Under contract

### Clinical Reasoning in Cardiology: Decisions Under Uncertainty

Nachiket J. Patel, MD. Elsevier. Under contract; manuscript in preparation.

## Clinical research & professional service

Has served as a site principal investigator in multicenter clinical studies:

**RESTOR-1 Study.** Angiosafe Peripheral CTO Crossing System Study.

**TORUS 2 Trial.** Pivotal IDE study of the PQ Bypass intra-arterial stent graft system.

**VAE00010 Vaccine Trial.** Phase I/II study of an RSV mRNA vaccine candidate.

**Previous professional service:** Member, Education Committee, Society for Cardiovascular Angiography and Interventions.

## Media appearances & expert commentary

“Understanding Heart Disease: Leading Cause of Death for Women in the U.S.” ABC 15, 25 May 2021. [Video](#).

“Heart Health in the New Year.” Daily Mix, AZTV7, 14 January 2020. [Video](#).

Brady K. Doctors Share How to Improve Blood Circulation and Protect Your Heart Health. Prevention. June 3, 2026. Quoted expert. [Online](#).

Benford, S. (2021 October 27). Are Salt Substitutes Really Good for Your Health? NextAvenue. [Online](#). Quoted expert.

Berman, R. (2021 August 3). Moderate drinking may be safe for people with cardiovascular disease. Medical News Today. [Online](#). Quoted expert.

Main, K. (2021 April 12). Doctors Explain What Your Resting Heart Rate Should Be and Why It Matters. POPSUGAR. [Online](#). Quoted expert.

## Invited presentations & conference faculty

- 01 **Patel NJ.** The Uncrossable Lesion: My Rota-OPN Case Experience. SIS Medical lunch symposium held during Cardiovascular Innovations (CVI) 2026; August 7, 2026; Denver, Colorado. Invited speaker; industry-sponsored session. [Program](#).
- 02 **Patel NJ.** Challenging PE Case: How Intervention Saved a Life. Transformative Endovascular Decisions (TED) Congress 2026. Case presenter. Recording published by TED Congress, April 2, 2026. [Recording](#).
- 03 **Patel NJ.** PCI Open and Expand: Optimization after ISR and Stent Malapposition. OPN NC Lunch Symposium: Calcified Lesions, Plaque Modification, and Stent Optimization, held during Cardiovascular Innovations (CVI) 2025; July 24, 2025; Austin, Texas. Invited speaker; SIS Medical-sponsored session. [Recording](#).
- 04 **Patel NJ.** Thrombectomy for Acute PE: Devices and Trials. Transformative Endovascular Decisions (TED) Congress 2025. Speaker. [Recording](#).
- 05 **Patel NJ.** The Pounce™ Venous Thrombectomy System: Power and Control for Removing Peripheral Venous Clot. International Symposium on Endovascular Therapy (ISET) 2025; February 2, 2025; Hollywood, Florida. Case presenter and panel participant; Surmodics-sponsored, non-accredited lunch symposium. [Program](#). [SFV / popliteal case](#). [Extensive lower-extremity case](#). [Upper-extremity case](#). [Panel impressions](#).
- 06 **Patel NJ, Chainani V.** The Pounce™ Venous Thrombectomy System: Power and Control for Removing Peripheral Venous Clot. The VEINS 2024; November 2024; Las Vegas, Nevada. Case presentations; Surmodics-sponsored break session. [Case recordings](#). [Channel excerpt](#).
- 07 **Patel NJ.** Innovative Approaches with OPN NC: Clinical Evidence and Real-World Applications. Innovative Solutions in Complex PCI: The Role of OPN NC. Academic satellite symposium held during Transcatheter Cardiovascular Therapeutics (TCT) 2024; October 28, 2024; Washington, DC. Invited speaker; SIS Medical-sponsored session. [Recording \(14:40\)](#).

## Webinars & digital education

- 01 **Patel NJ.** Pounce & Pinot. Presenter and panelist with Gary Ansel, Peter Monteleone, and Kevin Onofrey. Surmodics-sponsored webinar on clinical experience with the Pounce™ Thrombectomy Platform; May 21, 2025. [Panel recording](#).
- 02 **Patel NJ.** Dr. Nachiket Patel Discusses His Experience with the Pounce™ Venous Thrombectomy System. Surmodics educational video; 5 minutes, 7 seconds. Reposted to personal YouTube channel October 3, 2025. [Video](#).

Conference recordings are linked with the corresponding presentations above. The ISET case series was also published by Vascular Disease Management / HMP Global on May 29, 2025. [ISET video series](#).
